Good News:

Our new playground equipment has left the factory and is scheduled to be delivered at the end of next week. We are looking for volunteers to unload the truck on Thursday. We are also planning a community building day on Saturday, May 1st. Claire Ferdock is coordinating this project. Please call her (610.754.9319) if you are able to help either or both days. Thank you very much for all of your help.
