

# **SPN BOARD GAME CLUB**

Calling all students in grades K-3: Do you like to play board games? Would you be interested in playing board games with your fellow classmates once a month after school? If the answer to both those questions is "Yes", then the board game club is the club for you.

The club will meet for one Tuesday each month from dismissal to 3:30. At each meeting we will focus on one or two board games. Since we don't have enough for everyone at school, students that have the game of the month will be asked to bring in their labeled games. Each student will remain with his/her own board game, and game pieces will NOT be mixed. The first board games will be *Chutes and Ladders* and *Checkers*.

Please fill out the form below if you would like to participate. Forms should be returned by October 30, 2009. Please contact Miss Albany with any questions.

Meeting dates: November 3, December 1; January 5;  
February 2; March 2; April 6: and May 4.
