Enclosed in today's communication envelope, you will receive this year's **Low-Income Data Survey** and a letter from Mr. Thomas Smith, the Deputy Secretary for Catholic Education. As Mr. Smith explains in his letter, I will keep all information confidential. The data reported allows our school to participate in several federal programs. Title I and Title II programs are examples of the provided funding. The Title I program provides remedial reading services. This year the Title II program provided the St. Philip Neri School faculty with many hours of in-service. Please fill in the form and return it to school in the envelope provided. Thank you very much for your attention to this matter.
