CATHOLIC SCHOOLS

DIVIDENDS FOR LIFE

So far, we all agree—**Catholic Schools Week** is a huge success. The students, teachers and staff of St. Philip Neri School have been enjoying a week filled with spiritual, educational and fun activities. Thank you for all your help in making the week special and memorable.

Sunday: I extend my appreciation to our parents who spoke from their hearts in support of Catholic education and in promoting our own St. Philip Neri School. I also want to thank all of our students who also expressed their thanks to the Parish. Our altar servers and gift bearers helped to make the celebration of the Mass extra special. Thank you also for coming to the 9:30 Mass so we could pray together as a family!

Monday: We certainly had a delightful time at Limerick Bowl! A very special thank you to the Home & School Association for making this field trip possible.

Tuesday: Our 6th, 7th, and 8th Grades attended The Academic Challenge at St. Pius X High School. The competition was tough but I understand we held our own! Everyone enjoyed the social with the high school students.

Wednesday: Our 2 hour delay put a slight crimp in our plans! However, we were still able to surprise Father Roncase with our activities to celebrate Pastor Appreciation Day.
