

JANUARY NEWS

Make every effort to keep the unity of the Spirit through the bond of peace.

Ephesians 4:3

January 13, 2010

To the parents who attended last night's Home & School Association General meeting—Thank you. I hope you enjoyed and learned some of the little “tricks of the trade” used in the development of fine motor skills. We have been fortunate to be able to use the services of Nancy Stevenson this year. She worked in our classrooms raising and lowering desks, making sure our children were sitting in the proper size chairs, and having the students sit in a correct ergonomic position. Nancy is an occupational therapist from the Montgomery County Intermediate Unit.

Let us remember to pray especially for all of our priests throughout this Year of the Priest.
