

March 3rd SPN's LAST

DINNER DANCE AUCTION

We are still on for our annual fundraiser! Please come out and join us for a phenomenal evening filled with great food, drinks, friends and prizes!

We need your help!

This fundraiser is only going to be as good as we make it... and this one is for the kids! Please send in a wrapped theme basket to raffle off in our auction. We need all baskets by **Wednesday February 29th**! In addition to your family basket, please send in something to add to the class basket. There will be no solicitation to area businesses this year so we are counting on **you** to make this the best tricky tray we have ever had!

Any questions, please contact Krista McKiernan at:
