This is our School's biggest fundraiser of the

We need your donations for our raffles. Please take some time  
over the holiday break to consider how you can help. Make a  
donation (items large or small) We also have donation letters  
which you can send to your company. Or we can even do the  
shopping or mailing for you!

All donations must be in by February 28<sup>th</sup>. You may send your  
donations directly into the school.

Please feel free contact me by phone or email with any  
questions.

Thank you, and have a blessed Christmas.
