Montgomery County Schools

To all Principals, Counselors, and School Nurses

Greetings!

Attached you will find our *Save the Date* flyer for Montgomery County Teen Parent Task Force 23rd Annual Teen Parent Conference. The conference is still in the planning stages but we want to give you ample time to “talk it up” with your pregnant and parenting teens. We are striving to have more fathers present at our conference, so please include them in your talks.

Please feel free to make extra copies of the form and distribute it among the counselors and school nurses in your Middle Schools.

We hope you and your students will be able to take advantage of this opportunity to increase pregnant and parenting teens’ awareness on the many resources available to them in Montgomery County.

We, the members of the Task Force are dedicated to improving the lives of those we serve and fostering good parenting skills at an early age.

Should you have any questions or concerns, please do not hesitate to contact us. And, we thank you for all that you do.

Sincerely,

Helen M.C. Jones
President, Montgomery County Teen Parent Task Force
